Natural conversations. Branded conversions.

I turn regular, natural conversations into branded conversions that contribute to your bottom line.

When a passenger shares an interest or asks for a recommendation, I connect that conversation with a relevant business in the guide.

$300 / MONTH

About $10 a day, billed monthly.

A personal connection

My conversations help passengers discover your business, explore your offer, and take the next step.

Your category listing and business profile

Your logo, approved photo, story, location and offer, with links to call, book, order or get directions.

One main QR code in my Trailblazer

Matching seatback displays connect passengers with all six categories. Listings rotate within each category.

Monthly conversion reporting

Your report shows confirmed conversions attributed to my marketing silo through agreed tracking links, offer codes and advertiser records.

Includes one offer update per month. Paid placements are marked Sponsored. Listing approval, campaign dates and conversion tracking are confirmed before activation.

A connection that continues after the ride.

A natural conversation creates the opening. Passengers can then explore your business and act on their own interests.

YOUR BUSINESS PROFILE

Your story, your offer, and a measurable next step.

View offer | **Get directions** | **Book / order / inquire**

Your business, within reach.

Matching seatback displays introduce passengers to the guide. One main QR code connects them with six categories and your business profile.

From a natural conversation to a clear next step.

When a passenger shares an interest, I can introduce a relevant business and invite them to explore the guide. Your listing gives that conversation somewhere to go, with your story, offer and direct action links.

Your monthly conversion report

See how many confirmed conversions came through my marketing silo and the revenue you can attribute to them.

Confirmed conversions	Completed purchases, bookings or qualified inquiries, using the conversion definition we agree before launch.
Attributed revenue	Sales value you verify through a dedicated booking link, offer code or reconciled business records.
Supporting activity	Guide visits, profile views and action clicks help explain the path to each conversion.

Tracking is configured before campaign activation. Confirmed outcomes are deduplicated within an agreed attribution window. Live analytics integration is pending.

Bring your business along.

15,641 Rides **5.00** Rating

Greetings,

We're pleased to share some of Jonathan Dallas's accomplishments while driving with Lyft. Jonathan hit the road in July 2018 and has completed 15,641 rides, helping connect passengers to the world around them. This ride count is impressive—it's in the top 20% for drivers in the Phoenix region, which takes a strong work ethic.

Digging into more of Jonathan's stats with Lyft:

- When looking at weeks driving with Lyft, Jonathan routinely averages 29 hours behind the wheel.
- Jonathan has an average rating of 5.00 out of 5 stars from passengers.
- 232 passengers have added Jonathan to their favorite driver list, indicating exceptional customer service and that they would like to ride with Jonathan again.
- Of the passengers who provided positive feedback, 2892 complimented Jonathan's friendliness, 2571 complimented Jonathan's good driving, 2484 complimented the cleanliness of the car, and 1932 complimented how Jonathan went above and beyond.

Here are some examples of positive feedback for Jonathan's service: Passengers commend Jonathan for exceptional friendliness, engaging conversations, and a great sense of humor. Jonathan's careful driving and quick pickups contribute to a pleasant ride experience. Great service like this is a key reason why passengers choose Lyft.

It's our pleasure to verify Jonathan's time driving with Lyft. As business owners, rideshare drivers independently manage their expenses and assets, strive to provide great customer service, make decisions under pressure, and set a schedule that maximizes earnings—all skills that are transferrable to many roles.

Safe travels,

The Lyft Team
